My name is Harrison Rubis, a senior graphic design student at San Diego State University with a minor in spanish. My prior work experience lends itself well to skills and needs of an abundance of job opportunities. I am a motivated graphic design student that is seeking to work with logo design, packaging design, Multi page layout design, and branding. My attention to detail and quality make for an aesthetically pleasing and effective outcome. As a very capable designer I am extremely eager to learn and driven to create.
